

**ADDENDUM 2**  
**Schedule of Charges for Use of University Facilities**  
**Oglesby Union Space**

**STUDENT LIFE BUILDING SPACE**

The charges for the Student Life Building space will be established and published by the Union Board for the 2005-2006 year. Categories of charges will be consistent with those assigned to Union space.

There is no charge for the use of reservable space in the Oglesby Union and the Student Life Building when a university group composed of a majority of FSU students uses the facilities without charging admission or taking a donation.

Florida Sales Tax is added to the above prices unless payment is made from a state budget or a tax-exempt number is given.

There is an \$25.00 overtime charge per hour for use of ballrooms after closing hours.

The charges for use of the Oglesby Union and Student Life Building space are approved by the Union Board annually. If there is a discrepancy between the charges printed in this manual and the Union Board Manual, the Union Board charges will apply.

*"Program with meals by Food Services"* refers to any activity in which meals are provided by Food Services. *"Other Programs"* refers to all other activities scheduled in the area, including those for which Food Services supplies snacks and beverages.

**USAGE BY THE OFFICE OF THE PRESIDENT**

The Office of the University President may use reservable space without charge when entertaining off-campus groups. Reservations for use may be made by telephone directly to the Guest Services Office.

In addition, the Office of the University President may request that conference-type groups composed of a majority of non-FSU personnel be permitted to use the Union space without charge when the President deems their visits advantageous to the University's goals.

Location	Student Groups with charge	University Related	Non-University
Conference Room (Capacity up to 25)	\$ 10.00	\$ 50.00	\$ 250.00
